Information Pack for 2022

Introduction

The Rotary Young Musician Competition is an established, well-organised and successful competition promoted by Rotary International in Great Britain and Ireland (Rotary GBI).

The competition is open to all levels, grades and styles of young instrumentalists and vocalists. The organisers would particularly welcome entries from modern genres.

Aims and Objectives

The competition aims to offer young people:

- the experience of performing on a 'stage'
- an opportunity to showcase their musical talent
- impartial feedback and assessment of their performance by experienced adjudicators

Who can take part?

The competition is open to all schools and college communities, including those that are home educated and any other young peoples' community organisations, for example, Scout Groups, Girl Guides, Air/Sea Cadets.

All students (amateur) should be in full time education up to the age of 17 on 31st August 2022.

Students attending schools and community organisations in the Borough of Thurrock, or who live in the Borough of Thurrock, should enter the competition organised by the 'Rotary Club of Grays Thurrock', through their family or respective group by completing the entry form at the end of this document.

Please note this competition is intended for amateurs and, for the purpose of the competition, an amateur is considered to be a person whose main source of income is not made from musical performances, although there may be occasions when the receipt of occasional out of pocket expenses or prizes may be received. The competition is **not open to full time students of music or performing arts**, studying for a qualification above A Level or equivalent.

There are two categories in the competition:

- solo instrumental
- solo vocal

Competition

The competition is organised by the Rotary Club of Grays Thurrock in partnership with Thurrock Music Services and the Gateway Learning Community Trust. It will be held at The Gateway Academy, Marshfoot Road, Tilbury, Grays RM16 4LU on **Saturday 26th November 2022**.

Competition Guidelines

Format

This is a competition at which competitors are judged within the context of a live performance. Competitors perform a selection of works of their own choice.

Competitors entering for this local competition will be placed in one of the following classes:

Beginner: Grade 0 – Grade 3 standard

Intermediate: Grade 4 – Grade 5 standard

Advanced: Grade 5 – Diploma standard

Please note: Competitors do not need to have passed a grade exam to enter but they do need to indicate the standard they are playing at. Their music teacher can offer advice on this.

Competitors are required to perform **one** piece of music (instrumental or vocal) lasting no longer than 5 minutes. They may perform from memory or from music at any stage. In the case of vocal candidates, it should be remembered that part of the assessment of the performance concerns communication with the audience and performing from a copy of music may prevent candidates from achieving this to the fullest extent

Instrumentalists can choose to play an accompanied piece (with piano) or an unaccompanied piece. Competitors can be accompanied by a single instrument in sympathy with the performance; vocalists may accompany themselves. In the case of vocal, guitar and percussion candidates only, CD backing tracks are permissible. However, the backing track must not contain the part being performed by the competitor; in such cases where the backing track does contain the part being performed by the competitor, the judges will not mark such performances. It is not the responsibility of the organiser to source backing tracks.

The organisers have also arranged for an accompanist on an electric piano to be available. Competitors wishing to be accompanied on this piano will need to provide published music sheets. Photocopies of music published as individual pieces will be disqualified unless competitors can provide written permission from the publishers. Photocopies of music not published as individual pieces but in an anthology, will be accepted provided the competitor has a copy of the original publication. All photocopies will need to be retained and destroyed by the organiser immediately after the event.

If there are any variations to or extemporisation in the competitors' parts, they must be clearly marked in the copies for the adjudicators. Any extemporisation of 20% or more is likely to affect the adjudicators' assessment.

Cuts to the accompaniment should be avoided. However, cuts are permissible to edit long introductions or long passages in the accompaniment where the competitor is not involved. Any cuts to the music must be clearly marked in the copies for the adjudicators.

There may be occasions when the context of a performance does not require an accompaniment. For example, e.g. in the context of traditional folksongs or music written expressly for solo instrumental performance such as J. S. Bach's Cellos Suites or Debussy's 'Syrinx' for solo flute. In such cases, candidates would not be expected to 'manufacture' an accompaniment never intended by the composer.

It should be noted that competitors offering solo piano should not have any other instrument playing. This would make the performing ensemble a duo, trio, quartet etc. and would not satisfy the competition criteria of 'solo instrumental performance'.

Adjudicators

An adjudicator with the appropriate skills will be appointed by the Thurrock Music Service.

The adjudicator will judge each performance according to:

- Melodic & rhythmic accuracy
- Intonation
- Tempo & flow
- Tone
- Mood and character
- The appropriateness of the programme
- The holistic view of the performance on the day

The adjudicators will not enter into any discussion or correspondence regarding their decision. The decision of the adjudicator will be final and not subject to any appeal.

Prizes

At all stages of the competition, competitors will receive a certificate of participation and a trophy for the winner.

After the judges have determined the result of the competition, the judge will comment on their observations before announcing the results.

There will be an instrumental and a vocal winner for each class (Beginner, Intermediate and Advanced) and an overall 'Thurrock Rotary Musician of the Year' award.

How to enter this local heat

Entrants need to complete an entry form (included at the end of this document) and submit it to the event organiser via email: youngmusician@rotaryclubofgraysthurrock.co.uk

Competitors must supply their own piano accompaniment music if required. Any pre-recorded backing tracks for guitar, vocal and drum performances, must be supplied by the candidate in MP3 format on a device that is Bluetooth enabled.

The closing date for submission is midnight Friday 4th November 2022

Competition Procedure

Arrival

Competitors will be emailed with the time of their class before the day of the competition. All competitors should arrive at least 15 minutes before the start of the competition. In unforeseen circumstances, the organisers reserve the right to make adjustment on the day if the need arises.

Performance

The master of ceremonies will invite each competitor to come to the front to perform their piece.

Competitors are encouraged to introduce their performance piece.

Vocal competitors should select a song suitable for a family audience, giving due consideration to the appropriateness of the lyrics.

The time for competitors' performance should not exceed 5 minutes. The timing should begin when the competitor first begins to play. The adjudicators will not judge that part of the performance after five minutes' duration.

Photographs must not be taken, and audio and video recordings must not be made by anyone other than those nominated by the organiser.

Results

After the adjudicators have determined the result of the competitions, the judge will comment on their observations before announcing the result. The competition and results will be published Rotary Club of Gray's Thurrock web site <https://www.graysthurrockrotary.org.uk>
