Instrumental/Vocal Lessons

Instrumental Lesson Requested (Name of Instrument)

School where lessons will take place:

Instrument Hire

Please note that your child will need an instrument to take to their music lessons. If you do not already have an instrument of your own we may be able to offer you an instrument from our Hire Scheme. If you wish to hire an instrument, please complete a Hire Application Form and return it to Thurrock Music Services. The Hire Application Form is available from the Thurrock Music Services websites: www.thurrock.gov.uk/music or www.thurrockmusic.co.uk. You can also request a form by e-mailing music.services@thurrock.gov.uk

The only instruments we are not able to hire are Drum Kits and Pianos (although we do have a small number of Keyboards available). All instruments are hired subject to availability and on a first-come, first-served basis.

Contract

I am signing this form to confirm that I agree to encourage my child to practice daily and to take part in their school's and the borough's music activities. I confirm that this form has been completed fully and accurately in applying for the instrumental tuition general subsidy.

Parent / Guardian – please print name
